

JUNE 22ND – JULY 15TH, 2020

As the impact of COVID-19 continues to expand, and out of an abundance of caution, the Executive Committee of the National Youth Science Foundation Board of Trustees has made the unanimous decision to cancel the upcoming **2020 National Youth Science Camp**. The Executive Committee does expect that the National Youth Science Camp will be held in 2021.

Please stay posted for further updates on the plans and arrangements for the 2021 NYSCamp.
